

Clarifications - RFP for Conducting OD Study and Traffic Survey on EPE published on dated 16.05.2018

S. No	Query	Reply IHMCL
1	How many locations are there at each intersection where Traffic Survey using portable ATCC and O-D Survey has to be conducted?	1. Traffic Survey using portable ATCC needs to be conducted from 16 locations to 36 locations as per requirement of IHMCL. 2. O-D Survey needs to be conducted at 16 locations.
2	Considering heavy traffic on said stretch it seems very difficult to stop 75% vehicles for O-D survey, Who will provide traffic police assistance to stop vehicles for O-D survey?	IHMCL will take up the matter with NHAI for issuance of support letter from NHAI to concerned Police Stations, However successful bidder shall be responsible for follow-up and liasioning
3	O-D Study is to be carried out for which category of vehicles, only commercial or personal also? Two Wheeler are also included in OD Survey?	O-D study needs to be conducted for all tolling classes of vehicles for both commercial and personal type.
4	Extension in submission for bids for atleast 10 days	As per RFP
