1. General

1.1. What is a FASTag?

FASTag is a device that employs Radio Frequency Identification (RFID) technology for making toll payments directly while the vehicle is in motion. FASTag (RFID Tag) is affixed on the windscreen of the vehicle and enables a customer to make the toll payments directly from the account which is linked to FASTag. FASTag is operational at over 750 toll plazas, including all NH toll plazas and over 100 SH toll plazas in India.

1.2. What are the benefits of FASTag

- A. For Road Users
 - Near non-stop motion through toll plazas
 - Convenience for cashless payment of toll fee
 - Less traffic congestion and reduced commute times
 - Toll statements which can be mailed or made available online
 - Near non-stop motion through toll plazas
 - Convenience for cashless payment of toll fee
 - Less traffic congestion and reduced commute times
- B. For Toll Operator
 - Lower operating costs
 - Better audit control through centralized user accounts
 - Improved capacity without being required to build more infrastructure
- C. For Government
 - Savings on fuel and reduction of emissions from idling and repeated stops at toll plazas.
 - Improves transparency of toll transactions

1.3. Is FASTag mandatory for all vehicles in India ?

Yes. As per amendments in the CMVR 1989 by the Ministry of Road Transport & Highways, FASTag is mandatory for all class M & N vehicles (four wheelers and above, carrying goods and/or passengers) w.e.f. 1st January 2021.

1.4. Is FASTag mandatory for new motor vehicle insurance?

Yes. As per amendments in the CMVR 1989 by the Ministry of Road Transport & Highways, FASTag shall be made mandatory while getting a new 3rd party insurance w.e.f. 1 April 2021.

1.5. Who is implementing FASTag program?

FASTag is a flagship programme of the Ministry of Road Transport and Highways & NHAI. Indian Highways Management Company Limited (IHMCL), a company promoted by NHAI has been mandated to implement FASTag programme in India.

National Payments Corporation of India has been engaged to provide Clearing & Settlement House (CCH) services for this FASTag Programme. Currently 26 banks have been certified by IHMCL for issuance of FASTag in India and 12 banks have been certified to carry out acquiring services at toll plazas.

1.6. What is the meaning of tag getting blacklisted? What can be done to avoid the Blacklist of tag?

A blacklisted tag means the tag which has been blocked by the issuer bank and cannot be used to pay toll at a toll plaza. There are various reason of blacklisting of tag, i.e. Tag is not having sufficient balance in FASTag account. In such cases Customer should call his bank toll free call center numbers and get the reason of blacklist. To avoid Blacklisting of tag, customer should recharge his tag when he gets the alert of low balance from his bank.

Also, FASTag may get blacklisted in case of any violation such as vehicle – tag class mismatch, non-affixation on the windscreen and carrying in hand, etc.

1.7. What is the validity of FASTag?

The physical tag has a validity of 5 years and after purchasing, you only need to recharge/ top up the tag as per your usage.

1.8. Why are the toll rates different for different vehicle categories?

The categorization is primarily based on the size and load they carry and type of use (commercial/personal) of a vehicle.

5. Operations

5.1. How and where do I finally pay the toll?

The tag is detected by the RFID readers installed at the toll lanes. A transaction file is created which is sent by the ETC System Integrator to the acquirer bank of the toll plazas. Acquirer bank then passes this transaction to the respective issuer bank through the CCH service provider (NPCI). And the appropriate toll amount is deducted from the FASTag account of the customer and subsequently passed on to the concessionaire/toll operator account.

5.2. Which all Toll Plaza are ready for FASTag?

Around 720+ toll plazas are live on FASTag now. List of toll plaza is available on IHMCL or NHAI website. You can also check for the list [here](#).

5.3. Do I need to use any specific lane at the toll plaza for FASTag?

Only vehicles fitted with FASTag are allowed to enter FASTag lanes of NH toll plazas. MoRTH has already directed to convert all lanes in each direction as FASTag lane. A vehicle without valid FASTag entering FASTag lane will be charged double the applicable toll amount in cash.

5.4. How would I know that the correct user fee has been deducted from my FASTag account?

Customers will receive an SMS alert on their registered phone number each time an amount is deducted from their FASTag wallet. Fee payable on each NH toll plaza is displayed at every toll plaza and can also be viewed online on website www.nhtis.org or Sukhad Yatra Mobile App.

5.5. How would I report an incorrect deduction and how will I get back the same?

You can report an incorrect deduction by calling our call center within 40 days of the transaction date. For all toll transactions, the toll plaza system sends a request to Bank for debiting the toll amount that is due from you. In the rare scenario of Toll Plaza system sending an incorrect amount, Bank would raise a Chargeback on behalf of you to recover the money that has been collected in excess by Toll Plaza. This Chargeback process normally takes up to 20-30 working days. All incorrect deductions, if proven so, are reverted back post representing the case with Toll Plaza.

5.6. How would I cross toll plaza, if ETC equipment are not working?

In case ETC equipment are not working and you have a valid and functional **FASTag** with sufficient balance in it then you will be permitted to pass the **toll** plaza free of cost. Additionally, please call our customer care and also report the issue with the concessionaire.

5.7. In case of harassment/ misconduct/ discourteous/ rude behavior of toll collection staff, what should we do?

In case of such a scenario, a complaint is to be lodged with respective Project Directors at the toll plaza. Further, the incident may be reported at etc.nodal@ihmcl.com or call on toll free number 1033.

5.8. Can one vehicle use more than one FASTag?

Normally one vehicle is assigned with one FASTag issued by a bank. However, under circumstances, if the vehicle user is not satisfied with the service of a bank, they can get new FASTag assigned provided that the earlier tag has not been blacklisted by the bank due to various issues such as non-payment of toll, etc.

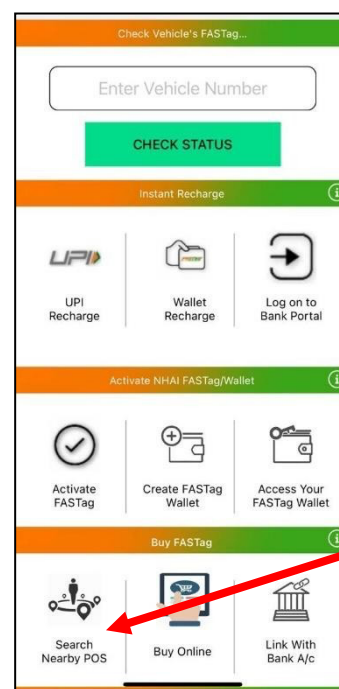

5.9. Can a FASTag bought for my one vehicle be used for another vehicle?

No, as per guidelines FASTag is issued to each vehicle based on RC copy of the vehicle. If there is mismatch, the ETC system at the toll plaza will detect the class mismatch and the FASTag is liable to be 'blacklisted' by the issuer bank and no new FASTag can be issued further against that vehicle number. FASTag users are advised to desist from such practice.

5.10. How do I search for the nearest FASTag point-of-sale (POS)?

5.11. I have a FASTag and also balance in my linked account, but I could not go through ETC lane. How do I get my FASTag checked/ rectified to see whether it is active or not?

One may download My FASTag App – and check the real-time balance in the FASTag wallet assigned with the vehicle number.

Similar to the “You are Safe” feature in Aarogya Setu App, a new feature to show the Tag Balance status has been introduced on My FASTag App. This new feature shall show the real-time FASTag wallet balance in form of colour code –

- Green for Active tag with sufficient balance
- Orange for tags with low balance and
- Red for blacklisted tags.

This feature shall help FASTag user with sufficient FASTag wallet balance to pass through a toll lane by showing the tag status of the assigned vehicle, in case the tag status has not been updated in the toll plaza server due to various reasons.

5.12. Can FASTag be used at places other than National highways?

FASTag system provides a unified and interoperable Electronic Toll Collection (ETC) solution. Currently, FASTag is operational at over 110 state toll plazas across India.

With a view to enhance the coverage of NETC programme and offer seamless services to consumers across the country, a Scheme Guidelines for inclusion of State/City Toll Plazas under NETC Programme (FASTag) was unveiled by the Hon'ble Minister MoRTH in January 2019. The Scheme provides financial assistance to state governments as below:

- 50% of the CAPEX cost of ETC infrastructure installation subject up maximum Rs. 20 lakhs per toll plaza
- ETC programme management fees @ 1.1% of transaction value (charges to issuer banks and Clearing & Settlement charges)

A pilot on parking payment via FASTag has also been carried out at Hyderabad International airport.

It is also envisaged to extend the usage of FASTag to other vehicular payments such as fuel payment, e-challan and various other payments at wayside amenities.

5.13. How I will know whether FASTag is accepted at a particular toll plaza?

FASTag is accepted at 720+ toll plazas on National & State Highways across the country. FASTag enabled toll plaza are having hoarding before 500 meters of the plaza and the lane at the plaza are having FASTag signage and boards which is easily visible from the distance. Customers also can ask the toll booth person for paying through FASTag. You can also get a list of toll plazas on FASTag at [Toll Plaza.pdf](#)
