Sr. No.	RFP Section	RFP Page no.	Content in the RFP	Queries as received by IHMCL	IHMCL Response
1	6.3.9	47,48	Final Demo of all modules to IHMCL - T + 30 days	The timeline are quite strict, Request to kindly extended the 30 days to 45 days time frame	No Change, As per RFP
2	6.3.4.12	42,43	The successful bidder shall process and analyze the collected traffic data as per the requirement of the IHMCL: for Hourly, daily, weekly, monthly and yearly traffic variation with pictorial diagrams/graphs for all types of vehicles to determine, but not be limited to, the following:  (a) Monthly traffic composition (b) Traffic pattern in urban / rural locations (c) Seasonal traffic variation factors (d) Growth factors (e) Trend analysis (f) Forecasting (g) Peak hour and lean hour analysis and factors	( c) Seasonal Traffic Variation Factors  The survey agency would have to collect the Fuel sales data from site to calculate the Seasonal Correction factor, to arrive at the Traffic Variations. Thus, this should be added in Traffic agency's Scope of Work	No Change, As per scope defined in the RFP
3	3.2.1 No 4	10	The Sole Bidder or any member, in case of Consortium should have been successfully awarded, implemented and performed operations and maintenance of at least one project of minimum contract value of Rs. 20 lakh which involves aggregation of data from multiple agencies, hosting of data and carrying out manual validation of data in India during last seven years for Central/State Government departments/entities including PSUs as on the Bid Due Date.  The project(s) should have been either completed or an ongoing project where deliverable or milestone has been successfully met.	Project Experience: Will International experience with Private company be considered instead of only Indian Project worth INR 20 L	Refer Corrigendum-1
4				Wanted to know will IHMCL will provide the cloud server or we can host the server on any service provider.	Please refer RFP Clause no. 6.3.5.3, Page no. 44
5	5.14.6	30	Notwithstanding the above, IHMCL may terminate the Contract in its sole discretion by giving 30 days prior notice without assigning any reason.	As we know that there are significant amount of money in involved to start the assignment on time and after starting the assignment if IHMCL Terminates the tender within 30 days then there will be huge loss for any agency, If this happens then there should be some compensation amount for the control centre agency.	Refer Corrigendum-1
6	6.2.1.5	37	The Successful Bidder shall deploy at least 11 video validators in validation room for confirmation on accuracy of data within 4 days of survey data (both video and excel) submitted by survey agency. The traffic survey data should be accepted only if submitted data has following accuracy levels: -  (i) Count Accuracy >= 98 and (ii) Class Accuracy >= 95%	Do IHMCL specify any standards for the team at CC like: 1. Qualification of team 2. Wages for the team	Please refer RFP Clause no. 6.3.8.4, Page no. 47
